

Maria Bethânia - Mentira de Amor

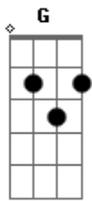

tom:

G

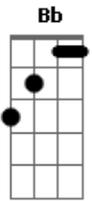

Querem saber afinal qual a solução
 Querem saber o final daquela paixão
 Daquele grande amor que a todos interessou
 Querem saber qual o fim da nossa união
 Já que o tempo passou
 Então lhes digo a sorrir que em meu coração
 Que palpitava por ti todo em afeição
 Hoje outro ocupa o lugar que o teu amor ocupou

Já que entre nós nada existe e nada nos une
 O nosso amor terminou
 Tudo mentira, o meu sorrir não condiz
 Com meu viver, isolado e tristonho, sou muito infeliz
 Tudo mentira, eu bem sei, sempre te adorei
 Indiferente hoje estou, aparentemente
 Passo por ti sem olhar, Deus testemunha, porém
 Que a vontade maior que o meu peito oprime
 É te abraçar, te beijar
 Tudo mentira
