

Maria Bethânia - Nenhum Verão

Tom: **G**

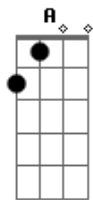

Intro: **G7 A/7 C7 D7**

G7 **C7** **G7**
Esse sol, porque tinha de tanto brilhar
D **D** **A/7** **D** **D7**
Anunciar no meu peito o amanhã pra depois sumir
G **B** **Em**
E deixar tão mais negro meu céu, minha noite
C7 **G** **A7** **Ab7** **G7**
Porque foi minha boca beber, se embriagar da tua boca
Gb7 **G7** **Gb7** **Em** **Em G**
Pra sobrar tão mais amargo o gosto de vazio, de solidão
C
Meu coração prefere acreditar nessas promessas
Cm **G7** **A** **G**
Mesmo essas que só fazem abrir minhas janelas
G7 **A/7** **A7** **D7**

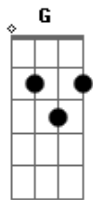

Pra nenhuma, pra nenhuma, pra nenhuma paisagem

G7 **C7** **G7**
Ah, porque me invadir como doce canção
D **D** **A/7** **D** **D7**
Pra depois me ferir, me queimar com ardor de toda paixão
G7 **B** **Em**
Eu assim te acolhi sem nenhuma defesa
C7 **G** **A7** **Ab7** **G7**
Como nova estação quando chega, um belo dia, uma certeza
Gb7 **G7**
Um vinho dado à minha mesa
Gb7 **Em** **Em G**
Uma palavra, um abraço de irmão
C
Meu coração prefere acreditar nessas promessas
Cm **G** **A** **G**
Mesmo essas que só fazem deixar na minha pele
G7 **A/7** **D7** **G7**
Calor, luz, alegria pra nenhum verão
