

Maria Emília Reis - Sou Um Fado Desta Idade

Tom: G

m

Fados são belas cantigas, ^{Gm} alegres, ^{D7} amigas ^{Gm}
 Deixem de os cantar ^F tristonhos, ^{Eb} dolentes, ^{D7} medonhos
 Façam os fados ^{Gm} activos, se os ^{G7} querem ^{Cm} ver vivos

Pode o fado ser eterno ^{Gm}
 Ritmado, ^{A7} alegre, ^{D7} bailado, ^G moderno

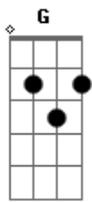

^G Sou um fado desta idade ^{Am}
^{D7} Saltadinho com viveza ^G
^{D7} Sabe bem não ter saudade, saudade, saudade

Saudade faz ^G tristeza
 Cá por dentro o sangue ^B ferve
 À moleza vou dar fim ^{Em}
 Sofre tanto que não ^G serve, não ^{D7} serve, não ^{D7} serve
 Não serve p'ra mim ^G

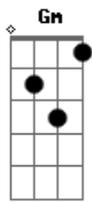

^{Gm} Vamos!... cantem este fado... mexido, marcado
 Fado assim é divertido... pulado, batido

Tem em si um ar de festa, bem nossa, modesta
 Mas que sendo portuguesa
 Perdeu a tristeza, ganhou em beleza
