

# Maria Gadú - Long Long Time

Tom: **E**  
Intro: **E E E E**

**E E E E**  
Been a long long time  
**Dbm B**  
And you know I've been waiting  
**E E E E**  
Been a long hard climb  
**Dbm B**  
And you know l've been spending  
**A Abm Dbm**  
All my days alone  
**A Abm Dbm**  
Here with my silent phone  
**A Abm Dbm**  
Looking up your name  
**A Abm Dbm**  
Hoping you fell the same  
**B E E E E**  
Way you used to  
**E E E E**  
It's an old old song  
**Dbm B**  
Everyone keeps on playing  
**E E E E**  
About a love gone wrong  
**Dbm B**  
And I hear what it's saying  
**A Abm Dbm**  
Spending days alone  
**A Abm Dbm**  
here with my silent phone  
**A Abm Dbm**

Looking up your name  
**A Abm Dbm**  
Hoping you fell the same  
**E E E E**  
Way you used to

Down in the crowd you laugh loud  
I walk in as you walk out  
Cant think of something to say  
**A Abm Dbm**  
I keep trying to seem the same way  
**B E E E E**  
I used to  
**A Abm Dbm**  
Spending days alone  
**A Abm Dbm**  
here with my silent phone  
**A Abm Dbm**  
Looking up your name  
**A Abm Dbm**  
Hoping you fell the same  
**A Abm Dbm**  
Spending days alone  
**A Abm Dbm**  
here with my silent phone  
**A Abm Dbm**  
Looking up your name  
**A Abm Dbm**  
Hoping you fell the same  
**B E E E E**  
Way you used to

## Acordes
