Maria McKee - Show Me Heaven

```
(CD)
                               tom:
                                                                     G Am C
                 Ab (forma dos acordes no tom de G )
Capostraste na 1ª casa
                                                                     I`m not denyin`
Intro: G C D
G C D
                                                                      D Em
                                                                                                 Am C
                                                                      I`m frightened as much as you
                                                                      D G Am C
G C
                                                                      Though i`m barely touching you
There you go
                                                                     D
                                                                                        G
  D G C D G
                                                                     I`ve shivers down my spine
Flashing fever from your eyes C D
                                                                     Am C D
                                                                      And it fells divine
Hey baby come over here
                                                                     GAm C D G Am
 Em Bm C D
And shut them tight
                                                                      Oooh show me heaven cover me
                                                                      C D
G Am C
I`m not denyin`
                                                                      Leave my breathless
D Em
                       Am C
                                                                     G Am C D G
We`re flying above it all
D G Am C
                                                                      Oooh show me heaven
Hold my hand don`t let me fall
                                                                      (Am C D G)
D
                     G
You`ve such amazing grace
                                                                      G
                                                                                                    Em
                                                                     If you know what it`s like, to dream a dream
Am C
                     D
I`ve never felt this way
                                                                      Baby hold me tight
                                                                                       G C D G
[Refrão]
                                                                                                                Am
                                                                      And let this be oooh heaven. cover me
GAm C D G Am
                                                                      C D
Oooh show me heaven cover me
                                                                      Leave me breathless cover me
C D
                                                                               D
Leave my breathless
                                                                      G Am C
                                                                                          G
                                                                                                  Am
GAm C D G
                                                                      Oooh show me heaven cover me
Oooh show me heaven
                                                                      C D G Am
                                                                      Leave my breathless
                                                                      C D G Am
Leave my breathless
(Am C D)
