

Maria Mena - You're the only one

Tom: **A**
Intro: **A A D D A A D D**

A Well, I saw you with you **A** hands above your **D** head,
spinning **D** around, trying not to look **A** down,
but you **A** did, and you fell, **D D** hard on the ground.
A Then you stumbled around **A** for a good ten minutes,
D And I said I've never seen anyone look so **A** dumb before
A And you laughed and said **D** "I still know how to turn you on **D**
though"

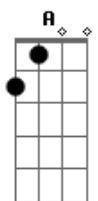

Chorus:
E And you are the **Gbm** only one who,
D drags me kicking and screaming trough fast dreams.
E And you are the **Gbm** only one who,
D Knows exactly what I need

A A D D A A D D

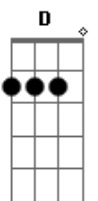

A And I probably forgot to tell you this like the time when I **D**
D forgot to tell you about the scar,
A remember how uncomfortable that made you feel **D**
A See you're not what I expected, but you're the only one who **D**
D knows how to handle me, and you're such a great kisser, and I **A**
D know that you agree. **D**
