

Mariah Carey - Butterfly

Tom: **G**
Intro: **A A Gbm**
F7 G D A A

D
When you love someone so deeply
A
They become your life
D **A**
It's easy to succumb to overwhelming fears inside

D
Blindly I imagined I could
Gbm
Keep you under glass
G
Now I understand to hold you
E
I must open up my hands
A
And watch you rise

E
Spread your wings and prepare to fly
Gbm
For you have become a butterfly
C **G**
Fly abandonedly into the sun
A **E**
If you should return to me
Gbm
We truly were meant to be
C **G D A**
So spread your wings and fly
Butterfly

D
I have learned that beauty
A
Has to flourish in the light
D
Wild horses run unbridled
A
Or their spirit dies
D
You have given me the courage
Gbm
To be all that I can
G
And I truly feel your heart will
E
Lead you back to me when you're
A
Ready to land

E
Spread your wings and prepare to fly
Gbm
For you have become a butterfly
C **G**
Fly abandonedly into the sun
A **E**
If you should return to me
Gbm
We truly were meant to be
C **G D A**
So spread your wings and fly
Butterfly

Db7
I can't pretend these tears
Db7 **Gbm**
Aren't overflowing steadily
Db7
I can't prevent this hurt from
Gbm
Almost overtaking me
F **C** **Am7**
But I will stand and say goodbye
Bb7
For you'll never be mine
E **A**
Until you know the way it feels to fly

E
Spread your wings and prepare to fly
Gbm
For you have become a butterfly
C **G**
Fly abandonedly into the sun
A **E**
If you should return to me
(I will know you're mine)
Gbm
We truly were meant to be
C **G D A**
So spread your wings and fly
(My butterfly)

C **G2**
So flutter through the sky
D
Butterfly
(**A A Gbm**)

F7 **G**
Spread your wings and fly
B
