Mariah Carey - I Stay In Love

Tom: Db

No matter what I do But baby, baby I stay in love with you Db Dying inside 'cause I can't stand it Na na na na na na na na na Bbm Make or break up Can't take this madness Na Gb We don't even really know why All I know is baby Baby, I stay in love with you Ab I try and try so hard To keep our love alive It cuts so deep It hurts down to my soul Db If you don't know me at this point Then My friends tell me I ain't the same no more Bbm I highly doubt you ever will We still need each other When we stumble and fall Gb I really need you to give me How we gonna act That unconditional love Like what we had Ain't nothin' at all now Ab I used to feel It's a mistake if we just erase it From our hearts and minds and I know Hey, what I wanna do is Ride shotgun next to you (chorus) Hit the block We said let go But I kept on hanging on Inside Proud in the SUV I know it's over You're really gone

It's killing me 'cause there ain't nothing That I can do Baby, Can we learn from our mistakes I stay in love with you And I keep on telling myself That you'll come back around And

I try to front like "Oh well" Each time you let me down

See I can't get over you now

Acordes

With the top down like we used to We both know our heart is breaking I can't last one moment alone Now go I know

(chorus 2x)

(repete tudo)
