   (intro) Cm     D7     Gm7
        Cm     D7     Gm7

              Cm     D7              Gm7
 I am thinking of you    in my sleepless solitude tonight,
                     Cm      D7              Gm7
 if it's wrong to love you,    then my heart just won't let me
be right,
        Gm7         Eb7                 D7
 'cause I've drowned in you, and I won't pull through,
              Gm
without you by my side.

            Cm      D7      Gm     Gm7     Eb7
I'd give my all to have just one more night with you,
        Cm       F7(sus4)  Bb7         Eb7
I'd risk my life to feel your body next to mine,
          Am7 Ab7(#11)       Gm7    Gm7    Em7
'cause I can't go on    living in the memory of our song,
            Cm         D7      Gm
I'd give my all for your love tonight.

                  Cm        D7              Gm
 Baby can you feel me,    imagining I'm looking in your eyes,
                  Cm       D7        Gm7
I can see you clearly,    vividly emblazoned in my mind,
        Gm7       Eb7                     D7
and yet you're so far like a distant star,
              Gm7
I'm wishing on tonight.
