

Mariah Carey - My Love

```
Wo-wo-wo-wo Wo-wo-wo My love does it good
               tom:
                                                                Gm Gm C7
                                                                           F
        Bb BbM7 Am D7 Dadd9
                                                           Oh wo! I love, oh wo! My love
                                                               Bb
                                                                            C7 F
                                                           Only my love holds the other key, to me
BbM7 Am BbM7 BbM7
                                                                Gm Gm C7 F
                                                           Oh wo! My love,
                                                                               oh wo! My love
  And when I go away
                                                                            C7 F
                     I know my heart can stay D7 Dadd9
                                                               Bb
                                                           Only my love does it good to me
With my love It's understood
                Bb
                                                            BbM7 BbM7 Am D7 Dadd9
It's in the hands of my love
                                                                              BbM7
  Am Bb Bm
And my love does it good
                                                           It's in the hands of my love
                                                           Am BbM7 Bm
   F Gm Bb
                                                           My love does it good
Wo-wo-wo-wo Wo-wo-wo My love does it good
                                                                F Gm Bb
                                                           Wo-wo-wo-wo Wo-wo-wo My love does it good
   Don't ever ask me why I never say goodbye to my love D7 Dadd9
    D7 Dadd9
                                                                Gm Gm C7
                                                                                     Α7
                                                                             oh wo! My love
                                                           Oh wo! I love,
It's understood It's everywhere with my love
   Am Bb Bm
                                                           Bb C7 F
Only my love does it good... to m
And my love does it good
                                                                  A7 Bb C7 F
                Gm Bb
                                    F
                                                           Wo-wo-wo-wo-oh-wo-oh-wo-wo
