

Mariah Carey - One And Only

Tom: **G**

... e fica assim até o fim da música. Espero que gostem!

I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground
So, so lonely
I'm lookin' for my one and only

I'm riding home in pain again, baby
But that don't mean sht to you
You're currently engaged
In an intimate conversation
With a young groupie or two
They say "Players only love you
When they're playing games"
Still, I gave my heart to you
I should have stayed away
Like my friends all told me to

[chorus]
Every time I turn around
I find my heart in pieces on the ground
So, so lonely
I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground
Why can't I find my one and only

See, I'm looking for a man that'll rub me slow
Make me sing real high
When he goes down low
But see, it ain't just a physical thing
He's gotta treat me affectionately
And I gotta know he won't betray my trust
Just like every other motherfcker does
Is this just an impossible dream, baby
Too elusive to pursue
It's been such a sad and windy road for me
Just searchin' for the truth

[chorus]
Every time I turn around
I find my heart in pieces on the ground
So, so lonely
I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground
Why can't I find my one and only

[Twista]
Now you know I roll a Beamer and a Benz
And I'm dishin' out N's
While you trippin' on a playa
Baller, havin' bitter conversations
While we're rollin' on 24's
And I know you got doubts
Why you listen to what people talk about
You ain't figured out why they call ya
The heavy steady hatin' cause
You rollin' on 24's
See how your money flows

You dress in designer clothes
From head to the toe
You ain't satisfied, well tell me
What you lookin for

[Mariah]
I'm lookin' for my one and only

[Twista]
Well, I'll be your one and only
If you give me a chance
I'll make the change for you, girl
I know I ain't been the most faithful
Nigga in the world
But let's stay together so we can shine like pearls
Spendin' it to awhile I feel us wish
You on fire
To kiss your lips, I desire
Twist and Mariah, together like a
Grip on the tire

[Mariah]
I'm lookin' for my one and only

[Twista]
Well, come on Shorty, let me make it better
We can do whatever
While we're sittin on suede and leather
Thinkin' through the city
While we rollin' lonely
Let's kick it in the Chi
I know I messed up with ya, I ain't gon' lie
I know you were feelin'
You really know your guy
But baby girl, I ain't mean to blow your high
Let me pick the pieces up
And put them back together cause I wanna be with you
Don't wanna leave you lonely
Ride with you like a homey, never, no phony
Shorty, can I be your one and only

[chorus]
Every time, oh mmm
Every time I turn around
I find my heart in pieces on the ground
So, so loney
Why
I'm looking for my one and only
Every time I turn around
Ah, ha ha ha ha
I find my heart in pieces on the ground
Why can't I find my one and only
Still lookin' for my one and only
Every time I turn around
Ah, ha ha ha ha
I find my heart in pieces on the ground
So, so lonely
Yeah, I'm lookin' for my one and only
I'm lookin' for my one and only
Every time I turn around
Ah, ha ha ha ha
I find my heart in pieces on the ground
I'm lookin' for my one and only
Why can't I find my one and only
Ah
