

# Mariah Carey - When Christmas Comes

Tom: C  
Intro: C Am7 G F Dm7 F G

The whole world feels a little bit more love  
When Christmas comes, when Christmas comes  
And everywhere that you go people singing Let It Snow  
And hanging up that mistletoe

And me and you gonna have ourselves a holiday  
And we don't need nobody else to celebrate  
And we're gon' kiss our worries and our cares away  
I can't wait

Because this Christmas time get together  
It's gonna be so nice better than ever  
And baby you're the one special treasure  
I can't wait to unwrap your love  
Until Christmas comes

So many souls hurt, so many don't have enough  
When Christmas comes, when Christmas comes  
But baby if you spread love someday it might be enough  
To heal each other one by one

And we gon' get together and rejoice and pray

And we gon' help the world become a better place  
And we gon' sing and shout because the Savior reigns  
So don't dismay

Because this Christmas time get together  
It's gonna be so nice better than ever  
And baby you're the one special treasure  
The Lord makes our hearts open up  
Soon as Christmas comes

It's gon' be alright when Christmas comes

Oh jingle all the way. Oh what fun, hmm

And we gon' reminisce about the good old days  
And we gon' laugh together as the children play  
And through the years is always gonna be this way  
Come what may  
Because this Christmas time get together  
It's gonna be so nice better than ever  
And baby you're the one special treasure  
I can't wait to unwrap your love  
Until Christmas comes
