Mariah Carey - Without You

```
Tom: E
                                                                       I can't live, if living is without you
Intro: E E E E
                                                                       Gbm B7 B7
I can't live, I can't give anymore
       F
                                                                              F
                                                                                      Dbm
  No I can't forget this evening
                                                                       I can't live, if living is without you

                                                                                     B7 B7
  Or your face as you were leaving
                                                                       I can't give, I can't give anymore
                                                                    Е
       Gbm
  But I guess that's just the way
                                                              Well I can't forget this evening

                                                                     Abm
  the story goes
                                                              Or your face as you were leaving

  When I think of all my sorrow
                                                              Yes it shows
                                                                                E
                                                                                        Dbm

  When I had you there but then I
                                                                       Gbm B7 B7
I can't live, I can't give anymore
                                                                                          B7 B7

  And now it's only fair that I should let you know
                                                                           Gbm B7 B7
                 E B7
  What you should know
                                                                       I can't give, I can't give anymore
