## Marian Hill feat Lauren Jauregui - Back To Me

Tom: C Intro: Am F G (Rápido e abafando os acordes) Verso 1 Am F I've been looking at you with a little something

Am F That you've been ignoring Am You've been looking at me with it F Am F I don't know what exactly but it's boring Am F Play it cool, but I see through it Am F You should listen to the music Am F Soy, I know you want it so you better get up on it Am F Or you'll lose it, lose it...

 No
 reply, you'll come back

Refrão

Am F Love to watch you try and turn your back to me Am F But I know that any minute you'll be back to me Am F Back, back, back to me Am F Love to watch you try and turn your back to me Am F Love to watch you try and turn your back to me Am F But I know that any minute you'll be back to me Am F Back, back, back to me Am F Back, back, back to me Am F Back, back, back, back, back, back to me Verso 2

Baby could you shut up? F Cause I don't need you to come up with excuses Am I just need your eyes on me F So I can see you watching me move it Am F So soft and cryptic Am Ch, while you listen to the music Am Boy I know you want it so you better get up on it Am F Or you'll lose it, I'll prove it

## Acordes

Pré Refrão

F Δm Am Mind if I take you down F Am Am Get you high, am I aloud? Refrão Am Love to watch you try and turn your back to me But I know that any minute you'll be back to me Back, back, back to me Am Back, back, back, back, back, back, back to me Love to watch you try and turn your back to me But I know that any minute you'll be back to me Am Back, back, back to me Back, back, back, back, back, back, back to me Ponte

## Am

Know that any, know that any, F know that any, know that any Am F Know that any minute you'll be back to me Am F Love to watch you try, love to watch you try Am F Feel me, feel me, feel me F Am F Back, back, back, back, back, ba-ba-ba Am F While you listen, while you listen Am F While you, while you listen to the music

Refrão

Am F Love to watch you try and turn your back to me Am F But I know that any minute you'll be back to me Am F Back, back, back to me Am F Back, back, back, back, back, back to me Am F Love to watch you try and turn your back to me Am F But I know that any minute you'll be back to me Am F Back, back, back to me Am F Back, back, back to me Am Am Am Am Am Back, back, back, back, back, back, back to me
