

# Marian Hill - Back To Me feat. Lauren Jauregui

Tom: C

(com acordes na forma de G )

Capostrate na 5ª casa

Em I've been looking at you with a little something

That you've been ignoring

Em You've been looking at me with

I don't know what exactly but it's boring

Em Play it cool, but I see through it

Em You should listen to the music

Em Boy, I know you want it so you better get up on it

Or you'll lose it, lose it, lose it

Em G C B Mind if I slow you down?

Em G C B No reply, you'll come back

Em Love to watch you try and turn your back to me

But I know that any minute you'll be back to me

Em Back, back, back to me

G Back, back, back, back, back, back to me

Em Love to watch you try and turn your back to me

But I know that any minute you'll be back to me

Em Back, back, back to me

G Back, back, back, back, back, back to me

Em Baby could you shut up?

C Cause I don't need you to come up with excuses

Em I just need your eyes on me

C So I can see you watching me move it, move it, move it

Em So soft and cryptic

Oh, while you listen to the music

Em

Boy I know you want it so you better get up on it

Em Or you'll lose it, I'll prove it

Em G C B Mind if I take you down?

Em G C B Get you high, am I allowed?

Em Love to watch you try and turn your back to me

G When I know that any minute you'll be back to me

Em Back, back, back to me

G Back, back, back, back, back, back to me

Em Love to watch you try and turn your back to me

G But I know that any minute you'll be back to me

Em Back, back, back to me

G Back, back, back, back, back, back to me

Em Em Em

Know that any, know that any, know that any, know that any

Em Know that any minute you'll be back to me

C Love to watch you try, love to watch you try

Em Feel me, feel me, feel me

C Back, back, back, back, back, ba-ba-ba

While you listen, while you listen

While you, while you listen to the music

While you listen, while you listen

While you, while you listen to the music

Em Love to watch you try and turn your back to me

G When I know that any minute you'll be back to me

Em Back, back, back to me

G Back, back, back, back, back, back to me

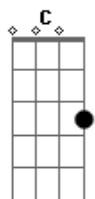

Em Love to watch you try and turn your back to me

G But I know that any minute you'll be back to me

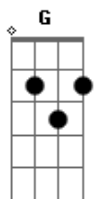

Em Back, back, back to me

G Back, back, back, back, back, back to me
