[Verse]

Am F  
I've been looking at you with a little something  
That you've been ignoring Am F  
Am  
You've been looking at me with it  
F Am F  
I don't know what exactly but it's boring  
Am F  
Play it cool, but I see through it  
Am F  
You should listen to the music  
Am F  
Boy, I know you want it so you better get up on it  
Am F  
Or you'll lose it, lose it, lose it

[Pre-chorus]

Am F E  
Mind if I slow you down?  
Am F F E  
No reply, you'll come round

[Chorus 1]

Am F  
Love to watch you try and turn your back to me  
Am F  
But I know that any minute you'll be back to me  
Am F  
Back, back, back to me  
Am F  
Back, back, back, back, back, back to me  
Am F  
Love to watch you try and turn your back to me  
Am F  
But I know that any minute you'll be back to me  
Am F  
Back, back, back to me  
Am F  
Back, back, back, back, back, back to me

[Verse]

Am  
Baby, could you shut up?  
F Am F  
Cause I don't need you to come up with excuses  
Am  
I just need your eyes on me  
F Am F  
So I can see you watching me move it, move it, move it  
Am F  
So soft and cryptic  
Am F

Oh, while you listen to the music

Am F  
Boy I know you want it so you better get up on it  
Am F  
Or you'll lose it, I'll prove it

[Pre-chorus]

Am F E  
Mind if I take you down?  
Am F F E7  
Get you high, am I allowed?

[Chorus 2]

Am F  
Love to watch you try and turn your back to me  
Am F  
But I know that any minute you'll be back to me  
Am F  
Back, back, back to me  
Am F  
Back, back, back, back, back, back to me  
Am F  
Love to watch you try and turn your back to me  
Am F  
But I know that any minute you'll be back to me  
Am F  
Back, back, back to me  
Am F  
Back, back, back, back, back, back to me  
Am Am Am Am  
Know that any, know that any, know that any, know that any  
Am F  
Know that any minute you'll be back to me  
Am F  
Love to watch you talk, love to watch you talk  
Am F  
Feel me, feel me, feel me  
Am F  
Back, back, back, back, back, ba-ba-ba-ba  
N.C.  
While you listen, while you listen  
N.C.  
While you, while you listen to the music  
N.C.  
While you listen, while you listen  
N.C.  
While you, while you listen to the music

[Chorus 1]

Am F  
Love to watch you try and turn your back to me  
Am F  
But I know that any minute you'll be back to me  
Am F  
Back, back, back to me  
Am F  
Back, back, back, back, back, back, back, back, back  
Am F  
Love to watch you try and turn your back to me  
Am F  
But I know that any minute you'll be back to me  
Am F  
Back, back, back to me  
Am F  
Back, back, back, back, back, back to me
