

MARIANAx - Lótus

tom:
A

I can feel through your eyes Dm C

The dark desperate storm Em D

And I know that you are lost Dm C

For the long that you're gone Em G

And I know all the sunken things Dm C

Deep inside your heart Em D

I know Dm G

Let it be gone Em D

But there's a noise in your head that is echoing and echoing C Dm

and Em

Echoing C

Let the sun stroke your skin and breathe in and breathe in and Dm

Breathe in and breathe in and breathe in Em

C Dm Em F

Be in peace

Until you feel all your nerve endings C Dm Em F

Making synapses with every Am G F Dm

C Dm C

Part of your body

(D F G)

C D

The sea lies in between

Your lungs full of golden leaves C D

As you fight against it all F G Am Am

C D

Underneath the stars

C D

You gasp for a whole new world

F G

Underneath your skin

C D

Something screams to be released

C Dm

There's a noise in your head that is echoing and echoing and

Em Em

Echoing

C Dm

Hear the choir of the waves that are echoing and echoing and

Em Em

Echoing and echoing

C Dm Em F

Be in peace

C Dm Em F

Until you feel all your nerve endings

Am G F Dm

Making synapses with every

C Dm C

Part of your body

(D C D)

F G

What is deep in your soul?

C D

Let it rise to the cosmos

F G

Everything that is hiding

C

Sparks are scaping

D

A flower ready to bloom

F G C D

Let it be out of your core, of our core

F G

Reach the moon being full of you

C D

In this new world full of you

F G C D

Hear this echoing again, echoing again, echoing again, and

again

And again

(F G C D)
