

# Marilia Mendonça - Pare o Avião

tom:

D

Sete e meia já passou

E o telefone tocou

Seu número eu tinha apagado

E uma voz me disse alô

Desligou o telefone

E um print eu recebi

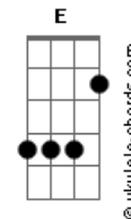

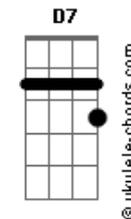

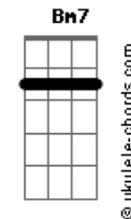

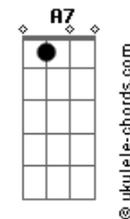

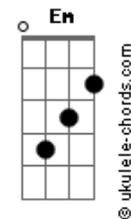

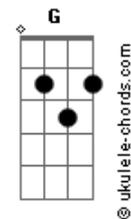

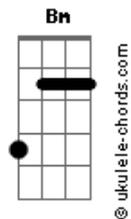

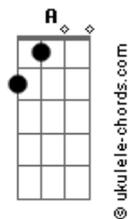

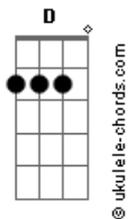

Voou 3067 e o destino é longe daqui

Voando pro aeroporto

Meu Deus que sufoco

Me desesperarei

## Acordes

Eu já tava louca
