Intro:

Measure 2

Repeat measure 1 and 2 (intro) several times...  
(C,Em,Am,G,F7M,G )

Everybody knows we live in a world  
Where they give bad names to beautiful things  
Everybody knows we live in a world  
Where we don't give beautiful things a second glance  
Heaven only knows we live in a world  
Where what we call beautiful is just something on sale  
People laughing behind their hands  
As the fragile and the sensitive are given no chance

And the leaves turn from red to brown  
To be trodden down, to be trodden down  
And the leaves turn from red to brown  
Fall to the ground, fall to the ground

We don't have to live in a world  
Where we give bad names to beautiful things  
We should live in a beautiful world  
We should give beautiful a second glance

And the leaves fall from red to brown  
To be trodden down, to be trodden down  
And the leaves turn green to red to brown  
Fall to the ground and get kicked around

Am7 Am7sus4 F7  
You strong enough to be  
Have you the faith to be  
Sane enough to be  
Am7  
Honest enough to stay  
Am7sus4 F7  
Don't have to be the same  
Am7 Am7sus4 F7  
Don't have to be this way  
C'mon and sign your name (F,G,Em )

(F,G,Em )  
You wild enough to remain beautiful?  
Beautiful, beautiful

(C,Em,Am,G,F7M,G )

And the leaves turn from red to brown  
To be trodden down, trodden down  
And we all fall green to red to brown  
Fall to the ground, but we can turn it around

You're strong enough to be  
Why don't you stand up and say  
Give yourself a break  
They'll laugh at you anyway  
So why don't you stand up and be beautiful

Black, white, red, gold and brown  
We're stuck in this world  
Nowhere to go, turn it around  
What are you so afraid of?  
Show us what you're made of  
Be yourself and be beautiful
