the dirty air of your neighbourhood

Your name on a grain of rice hanging
around my neck, and a head like lead

The Next bit??????? If you know, add it on!

Would you want...The world is me - Play the great solo over it.

|This is the 21st century....I heard everything they said
(2nd)|

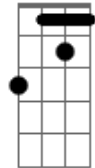

We lay on a velvet rug by the open fire
she blew air on my eyelids

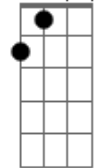

I cried "What's it all about?"
as she kissed my hair,
she said there there.
