The Beautiful People

And I don't want you, and I don't need you Don't bother to resist, or I'll beat you It's not your fault that you're always wrong The weak ones are there to justify the strong.

The beautiful people, the beautiful people It's all relative to the size of your steaple You can't see the forest for the trees And you can't smell your own shit on your knees

There's a time to discriminate, Hate every mother fucker that's in your way

Hey, you, what do you see? Something beautiful, something free? Hey, you, are you trying to be mean?

Acordes

You live with apes man, it's hard to be clean

(ohhh)

The worms will live in every host It's hard to tell which one ate the most The horrible people, the horrible people It's all anatomic as the size of your steaple

Capitalism has made it this way,

Will take it away

Hey you, what do you see? something beautiful, something free? hey you, are you trying to be mean? you live with apes man, it's hard to be clean

There's a time to discriminate, hate every mother fucker that's in your way

HEY! HEY! (repeat 4x)

The Beautiful People, The Beautiful People(ohhh)

Hey, you, what do you see? Something beautiful, something free? Hey you, are you trying to be mean? You live with apes man, it's hard to be clean (x2)

The Beautiful People, The Beautiful People The Beautiful People, The Beautiful People The Beautiful People, The Beautiful People The Beautiful People, The Beautiful People
