

# Marilyn Manson - Diamonds Amp Pollen

Tom: **C**

Written by: M Manson,T Ramirez and MW Gacy (Pogo)  
 Lyrics by: M Manson  
 Album: Disposable Teens singel  
 tabed by: Per "Pogo" Stenberg

I think this song sucks! but... the Gacys piano  
 is the best shit i have ever heard! So dedicate  
 this tab (And every other i have done) to Gacy (Pogo)  
 Love you man...  
 Intro: **A** Guitar? Sythn?  
 In the begin you hear these noises...

Intro: **B** Piano? Bass?  
 I can't tell if this is a piano or a bass.

Solo Guitar

Main riff Guitar  
 (this part is WERY hard to tab, so this

may not be correct)

at 2.30 there is a rhythm gtr entring but  
 I can't hearit so well, so... sorry... :(

Outro Piano  
 2.50  
 WOW! This is the best piano I have heard.  
 Love you Pogo (Gacy)  
 Play the piano parts 2 times.

Part 1

Part 2

Part 3

Yes I have done it agian!  
 I would not get through it.  
 If anyone knew if Pogo (Gacy) Wrote all those piano  
 part by himself or any corrections then contacte me.
