

# Marilyn Manson - The last day on earth (live - acoustic)

Tom: G

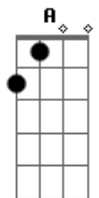

Intro:

Solo

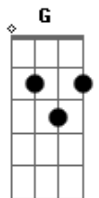

B G Em (3x) A C B  
Am yesterday was a million years ago  
in all my past lives i played an asshole  
Am now i found you, it's almost too late  
Am and this earth seems obliating  
Am we are trembling in our crutches  
Am hight and dead our skin is glass  
Am i'm so empty here without you  
Am i crack my xerox hands...  
B i know it's the last day on earth  
we'll be together while the planet dies  
B i know it's the last day on earth  
we'll never say goodbye  
Am (Solo)  
Am the dogs slaughter each other softly  
Am love burns its casualties

Am G C G  
we are damage provider modules  
Am G A  
spill the seeds at our children's feet  
Am G C G  
i'm so empty here without you  
Am G A  
i know they want me dead...  
B G Em B  
i know it's the last day on earth  
we'll be together while the planet dies  
B G Em A  
i know it's the last day on earth  
we'll never say goodbye  
Am G C G Am G A (Solo) (2x)  
B G Em B  
i know it's the last day on earth  
we'll be together while the planet dies  
B G Em A  
i know it's the last day on earth  
we'll never say goodbye  
B G Em B  
i know it's the last day on earth  
we'll be together while the planet dies  
B G Em A  
i know it's the last day on earth  
we'll never say goodbye  
A C B  
we'll never say goodbye  
A C B  
we'll never say goodbye  
A C B  
we'll never say goodbye
