

Marina And The Diamonds - Goodbye

tom:
A

Heaven, if there's a star for us
Gbm D
Up there in your lovers' universe
A E Gbm D
Shine your light down on me
A E
Somewhere between new and old
Gbm D D2
Another life waits to unfold
A E Gbm D
Maybe one day if we're lucky

A Db
I fucked it up, I lost it all
D
And my life might not be what I thought
A E D
But I wouldn't change a thing
A E D
Goodbye to the girl that I'd been

A Db D A
Good by- e to the girl that I was
Db D A
Good by- e to the girl that you lost
E Gbm
I will never be yours again
D A
Never wanted our love to end
E Gbm D
Good by- e, my friend

A E
Mayb? we won't meet again
Gbm D D2
But you'll always be my closest fri?nd
A E Gbm D D2
I hope you'll always be happy
A E
Some mistakes are hard to learn
Gbm D D2
And broken hearts are quick to burn
A E Gbm D
And slow to heal easily

A Db
I've been a mother to everyone else
D D2
To every motherfucker except myself

A E D
And I don't even have any kids
A E D
Goodbye to the girl that I'd been

A Db D A
Good by- e to the girl that I was
Db D A
Good by- e to the girl that you lost
E Gbm
I will never be yours again
D A
Never wanted our love to end
E Gbm D A
Good by- e, my friend
E D
Good by- e

A E
No matter what happens now
Gbm D A
Nobody can take our love down
E Gbm D
It's safe inside our memories
A E Gbm D
And I won't forget how you healed me
A E Gbm D A
Good by- e
Db D A
Good by- e
E Gbm
I will never be yours again
D D2 A
Never wanted our love to end
E Gbm D A
Good by- e, my friend
E Gbm D
It's ti- me
A E Gbm
I will never be yours again
D A
Never wanted our love to end
E Gbm D A
Good by- e, my friend

A E Gbm D
My friend, friend, mmm-mmm-mmm
A E Gbm D
My friend, friend, mmm-mmm-mmm
A E Gbm D
Mmm-mmm, mmm, mmm-mmm-mmm
A E Gbm D
Mmm-mmm, mmm, mmm-mmm-mmm
