

Marina And The Diamonds - Immortal

Tom: Eb

Verso 1:

I wanna be immortal
Like a god in the sky
I wanna be a silk flower
Like I'm never gonna die
I wanna live forever
Forever in your heart
And we'll always be together
From the end to the start

Pré-Refrão:

That's what we do it for
To reserve a place
It's just another part of the human race
That's what we do it for
To reserve a space
In history it's just
Part of the human race
Race, race, race, race

Refrão:

I'm forever chasing after time
But everybody dies, dies
If I could buy forever at a price
I would buy it twice, twice
But if the earth ends in fire
And the seas are frozen in time
There'll be just one survivor
The memory that I was yours and you were mine
Everybody dies
Chasing after time

Verso 2:

When you love somebody
That always leave too soon
But a memory, a memory
Can make a flower bloom
We wanna be remembered
Don't wanna live in vein
But nothing lasts forever

This world is in a losing game

Pré-Refrão:

I wanna mean something to somebody else
Feel a significance in the real world
It's not enough to live out a lucky life

Refrão:

I'm forever chasing after time
But everybody dies, dies
If I could buy forever at a price
I would buy it twice, twice
But if the earth ends in fire
And the seas are frozen in time
There'll be just one survivor
The memory that I was yours and you were mine
Everybody dies
Chasing after time

Middle 8

No, I don't wanna be afraid, afraid to die
I just wanna be able to say that I have lived my life
Oh, all these things that humans do
To leave behind a little proof
But the only thing that doesn't die is love

Refrão:

I'm forever chasing after time
But everybody dies, dies
If I could buy forever at a price
I would buy it twice, twice
But if the earth ends in fire
And the seas are frozen in time
There'll be just one survivor
The memory that I was yours and you were mine
Everybody dies
Chasing after time

So keep me alive
So keep me alive
So keep me alive

(Fm Cm Ab Cm)

"Sad to think of the horrors so many good people went through

there but they deserve our attendance to keep their memories alive"
