

# Marina And The Diamonds - Primadonna

Tom: G

Refrão:

Primadonna girl, yeah

All I ever wanted was the world

I can't help but I need it all

The primadonna life, the rise and fall

You say that I'm kinda difficult

But it's always someone else's fault

Got you wrapped around my finger, babe

You can count on me to misbehave

Primadonna girl, would you do anything for me?

Buy a big diamond ring for me?

Would you get down on your knees for me?

Pop that pretty question right now baby

Beauty queen of the silver screen

I'm living life like I'm in a dream

I know I've got a big ego

I really don't know why it's such a big deal, though

And it's sad to the core, core, core

Everything is a chore, chore, chore

When you feel I want more more more

I wanna be adored

(Refrão)

Primadonna girl with the boy a the Celluloid

Take a picture, I'm with the boys

Get what I want coz I asked for it

Not because I'm really that deserving of it

I'm living life like I'm in a play

In the limelight I want to stay

I know I've got a big ego

I really don't know why it's such a big deal, though

Going up, going down, down, down

Anything for the crown, crown, crown

When the lights goin' down, down, down

I spin around

(Refrão 2x)
