

Marina And The Diamonds - The Common Cold

tom:
Gm Gm Gbm
You said let's go on a break
Gm Gbm
Sounded a little bit fake
Gm Gbm
Sounded like you just
Gm Gbm
Wanted to go on a date
Gm Dm Bb D
Well you don't need my permission
Gm Dm Bb D
There's no point for me to keep wishing
Gm Dm Bb D
You were more, more
Gm Dm Bb D
More
Gm Gbm
You're a world class liar
Gm Gbm
I am a town crier
Gm Gbm
Try to drag you higher
Gm Gbm
But the stars, they fracture
Gm Dm Bb
And now I'm piecin' together
D
A puzzle of your face
Gm Dm Bb
But the part for your heart
D Gm
It never fits into place
Dm Gm Dm
Oh
Gm Dm C
Place
Eb Cm Gm
Love is a turbulent sea
Ab Eb Ab
Are you scared to swim with me?
Eb Cm Gm Ab Eb
Swim past the fishermen's nets that have already tried
Cm Gm
To trap you and me
Eb Cm
I remember when you said
Gm Ab Eb Cm Gm Ab
"There are plenty of other fish in the sea,"
Eb Cm Gm
You said "If this is love, then the current will
Ab Eb Cm Gm Eb Cm Gm Ab
Bring you back, bring you back to me."
Eb Cm Gm Ab Eb
(Bring you back to me)
Gm Gbm
Feeling a certain shame

Acordes

Gm Gbm
Let myself be treated this way
Gm Gbm
No, this won't happen again
Gm Gbm
Not over my dead body
Gm Dm Bb D
Like two dumb dogs walking in circles
Gm Dm
Got a feeling
Bb D
Was I just chasing
Gm
The wrong tail?
Dm Bb D
Oh
Gm Dm Bb D
Well it's better having your head stuck up your ass
You can't sail
Gm Gbm
He said "You don't appreciate me"
Gm Gbm
Like a bastard on heat
Gm Gbm
Two weeks I couldn't eat
Gm Gbm
But I made my pain discreet
Gm Dm
Wouldn't sit the exams
Bb D
You wanted me to take
Gm Dm
I'm above all your games
Bb D Gm Dm Gm Dm
This shark won't fall for your bait
Gm Dm
Plenty of fish in the sea
C
But I just wasn't hungry
