

Marina And The Diamonds - Valley Of The Dolls

In the Valley of the Dolls,
We sleep, we sleep.
Got a hole inside of me,
of me...

Born with a void, heart,
To destroy with love, oh hope.
Built with a heart
Broken from the start
And now I die slow.

In the Valley of the Dolls we sleep,
Got a hole inside of me.
Living with identities,
That do not belong to me.
In my life I got this far,
Now I'm ready for the last hurrah!
Dying like a shooting star,
In the Valley,
in the Valley,
In the Valley.

Pick a personality for me.
When you feel like nobody, body.

Born with a void, heart,
To destroy with love, oh hope.
Built with a heart
Broken from the start

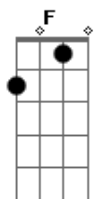

And now I die slow.

In the Valley of the Dolls we sleep,
Got a hole inside of me.
Living with identities,
That do not belong to me.
In my life I got this far,
Now I'm ready for the last hurrah!
Dying like a shooting star,
In the Valley,
in the Valley,
In the Valley.

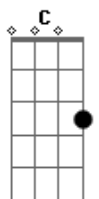

Back to zero, here we go again, again.
Bracing down into oblivion.
Back to zero, here we go,
I can feel it coming to the end,
the end...

In the Valley of the Dolls we sleep,
Got a hole inside of me.
Living with identities,
That do not belong to me.
In my life I got this far,
Now I'm ready for the last hurrah!
Dying like a shooting star,
In the Valley,
in the Valley,
In the Valley.
In the Valley,
in the Valley...
