

# Marina Lima - It's Not Enough

tom:

Am  
It's not enough  
To hold the world I'm my arms for the night  
I'd have nothing  
No reason to write  
Am7  
It's not enough  
To hold the key to the stars and the heavens  
If heaven is just a place  
In space  
Bb  
All of these plans I have made  
And lands I've laid to waste  
Em  
These crazy dangers  
B E7  
I've been all too willing to face  
Am7 B7  
When love was all I ever wanted  
Am7  
It's not enough  
Fm  
To watch the wheels as they spin in your mind  
C  
I'm blind  
D  
If I can't see the heaven
