

# Marina Machado - Tempo Quente

Tom: **A**

Intro: **A7M**

Sol na cabeça num dia de frio

0 tempo frio num dia de sol

A juventude escorrendo nas veias

Inevitável é estar tão só

Na esperança de que um dia tudo mude

Pra melhor

De onde veio toda essa gente

**F7M**

Que deixa o meu povo infeliz

0 tempo todo, todo esse peso

De viver várias vidas por um triz

E a felicidade bem diante do nariz

Sentir é viver

Sem medo de ser feliz

A hora é agora

Conto com você
