

Marina Prado - Quintal do Poeta (part. Leninha Prado)

tom: G

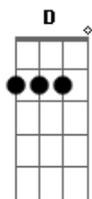

Lá onde tudo começa, então
 Tudo se sabe de cor
 Onde o tempo parou
 Numa aldeia menor
 Eu cantarei o que sou

Lá no quintal do poeta eu vi
 Num raio de luz o metal
 Reflete-se brincar
 Nos lençóis do varal

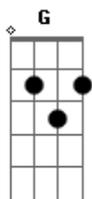

Não era meu o lugar
 Mas o meu canto será
 Para levar as pessoas
 Que passam a toa
 Que vão devagar
 Pensamento voa para lá

Lá no quintal do poeta bem
 Do lado de lá do porão
 Corre um rio
 Bate Sol
 Bate o meu coração
