

Marino - I Can't Fit In

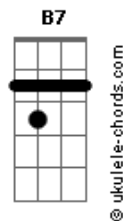

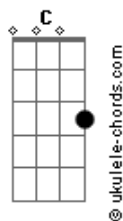

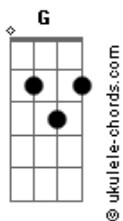

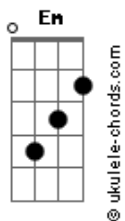

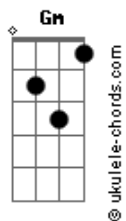

tom:
Gm (forma dos acordes no tom de **Em**)
 Capotraste na 3ª casa

Em
 I sleep at three am
G
 Stay up late night, can't stop scrolling
C
 The only peace I get is in my bed
B7
 Don't wanna hear a sound in the morning
Em
 But my phone keeps on ringing
 My heart steady beaten
G
 Still can't find my meaning
C
 It's hard to find a reason
 When everybody's dreamin'
 My dreams feel repeated

B7
 Is this all there is?
 This world feels so big
Em
 Still I can't fit in
G
 I can't fit in
C
 Is this all there is?
 This world feels so big
B7 **Em**
 Still I, I can't fit

Into what they want me to be so I'll
 Never go and get that college degree
G
 I gotta do what's right for me
 Even if I'm not sure I gotta believe that
C

Acordes

Things will turn out my way

Even if the sky's are grey
B7
 No, I'll never be the same

X's on my paper frame

Em
 I'll shout

From the rooftop singing

Everybody's gonna know my name

So I gotta be loud

Don't turn it down

Can't let outside noise drown you out
B7

I hear it now, lay your, lay your name from the crowd

I know, I-I know I'll never fit in

G
 I can't fit in

C
 Is this all there is?

B7
 This world feels so big

Em
 Still I, can't fit

G
 I can't fit

C
 I can't fit in

B7
 This world feels so big

Em
 Still I, I can't fit

G
 I can't fit

C
 I can't fit in

B7
 This world feels so big

Em
 Still I, I can't fit
