

Marino - Im Sorry Mom

tom: F [Intro]
F A Dm Bb

[Primeira Parte]

F A Dm Bb
I have no motivation, I don't even wanna try
F A Dm Bb N.C
What's after graduating? Work hard, retire, and die
F A Dm Bb
I don't wanna live that life, rather drop out than get by
F A Dm Bb N.C
Working a mediocre, average fucking nine-to-five

[Refrão]

F A Dm Bb
And I know it's what my parents want from me, but I don't
F A Dm Bb
So I won't go get that business degree, I'm sorry, Mom
F A Dm Bb
That I'm a deadbeat, the failure of the family, but
F A Dm Bb
I didn't ask to be here, so just leave me alone

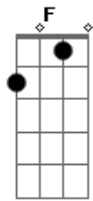

Interlude

F
I told you not to go out last night!

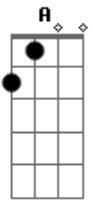

[Segunda Parte]

F A Dm Bb
My apologies that I don't wanna be what you want me to be
F A
I'm sorry I'm not a prodigy
Dm Bb
Rarely got good grades, no A's or B's
F A
Yeah, I'm hardly getting by on a daily basis
Dm Bb
But I got a dream, so I gotta chase it
F A
Never gonna be who they want to see
