

Marino - Worst Enemy

tom:
F (forma dos acordes no tom de E)
Capostrate na 1ª casa

[Primeira Parte]

I really hate the way I look
Invert the camera, turn the beauty filter up
If they don't see me how I see me, that's enough
I fall in love with a person that's not really me

[Refrão]

The real me hates me, the real me ain't me
The real me hates me, I'm my worst enemy
The real me hates me, the real me ain't me
The real me hates me, I'm my worst enemy

[Interlude]

N.c
Yo, can you come and take a picture?

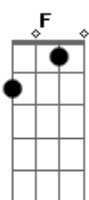

Yeah

Wait, make sure you get the right angles

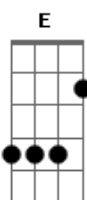

[Segunda Parte]

There's always bags under my eyes
No matter what I do, I always see those lines

But I can fix it with the filter online, so who am I?
I a lie? I something that I made up in my mind?
Oh, when I look in the mirror, I see a face full of fear
'Cause it's not the person with clear skin, no
Not the person they see
When I go and edit my posts, I'm losing all self-control
The person I used to know is turnin' into a ghost (So who am I?)

[Refrão]

The real me hates me (Oh, who am I?)
The real me ain't me (I lose my mind)
The real me hates me (Through this disguise)
I'm my worst enemy (So who am I?)
The real me hates me (Oh, who am I?)
The real me ain't me (I lose my mind)
The real me hates me (Through this disguise)
I'm my worst enemy

[Final]

(Oh-oh-oh-oh-oh-oh) You're my worst enemy
(Oh-oh-oh-oh-oh-oh) You're my worst enemy
