

Mário Acioli - Tudo Espontâneamente

tom:

Intro: Bb F G Dm

Por querer salvar me perseguiram

Não conseguiram me parar

Continuei a proclamar

A palavra do Pai por amor

Ninguém tira a minha vida

Eu a dou espontaneamente

Com poder posso reavê-la

Isto recebi do meu Pai

Para salvar os que se perdiam

Me coroaram me humilharam

Também

Me crucificaram, me traspassaram

Mas não tiraram o meu Espírito

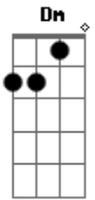

Ninguém tira a minha vida

Eu a dou espontaneamente

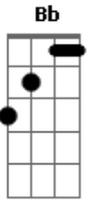

Com poder posso reavê-la

Isto recebi do meu Pai
