

# Mário Acioli - Uma Flor Eterna

tom:

Intro: Eb Gb Dbm  
Gb B7 E

O que os olhos não veem o coração não sente  
Como a beleza de uma flor que desabrocha ao  
Amanhecer  
E libera seu cheiro me fazendo sentir, a  
Pureza do amor que invade o meu ser

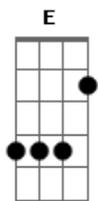

É assim que eu me sinto por você mamãe

A flor mais Bela que me impulsiona a viver  
Com seu cheiro suave que exala a cada manhã  
Me traz a paz me faz repousar

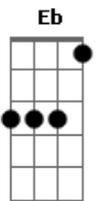

( Eb Gb Dbm )  
( Gbm B7 E )

Me alegre em lembrar dos momentos tão belos  
Que um dia vivi contigo mamãe  
Jamais me esquecerei de tudo o que passou  
No meu Jardim uma eterna flor brotou
