

Mario Biondi - Ecstasy

```
tom:
Intro: Ab Gm7 F#7M
I'm in ecstasy
          Dm7
When you're missing me
         Cm7
When your heart wants mine
         Eb
There's no sense of time
Bb2
You're a song to me
         Dm7
Sung so easily
       Cm7
Nothing more to say
       Eb
Nothing else will do
                      Dm7
And I feel so blue, in my solitude
    Cm7
                   Eb
As I lay awake in the night
      Bh2
                   Gm
I'm in ecstasy, when you're reaching me
When our souls align
         Eb
There's no world sublime
        Bb2
                       Gm
You're my harmony, in this empty sea
          Cm7
I want you here inside, can you hear me cry?
        Fb7M
If you'd call my name
       Dm7
You'd erase the pain
                        Fb
       Cm7
But all over again, I'm alone
I'm in ecstasy, want you kissing me
        Fb
                           Ebm
Want you holding me, when I've gone insane
```

```
Want you all the more, you and I know
     Eb7M Cm7 Ddim Eb Eb
You can stop the rain
( Bb2 Gm Cm7 Eb )
( Bb2 Gm Cm7 Eb )
       Fb7M
And you call my name
       Dm7
You'd erase the pain
       Cm7
But all over again, I'm alone
I'm in ecstasy when you lay with me
      Eb
Now I'm on my knees, babe you're all I need
      Bb
                               Em7b5
I'm succumb for you, girl you're a song for me
      Eb7M Cm7 Ddim Eb Eb
Nothing more to do
         Cadd9
We cannot always be sure of the future
     A7sus2
We'll work out exactly as friend
           Dm7
Because this final confess of intentions
Give us often slip through our hands
          Cadd9
You are the wonderful memory up here in the clouds
   A7sus2
And I'm in my feet on the ground
            Dm7
Darling if we hold on tight, be willing to fight
There's nothing our love can be tell
( F7M C Dm7 F )
[Final]
      Cadd9 Am7 Dm7 F Cadd9
I'm in ecstasy
```
