

Mário Lago - Fracasso

Tom: G

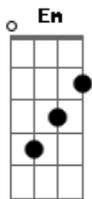

Relembro com saudade o nosso amor
 O nosso último beijo e último abraço
 Porque só me ficou da história triste desse amor
 A história dolorosa de um fracasso.
 Fracasso por te querer assim como eu quis
 Fracasso por não saber fazer-te feliz

Fracasso por te amar como a nenhum outro amei
 Chorar o que já chorei, fracasso eu sei.
 Fracasso por compreender que devo esquecer
 Fracasso porque já sei que não esquecerei
 Fracasso, fracasso, fracasso, fracasso afinal
 Por te querer tanto bem e me fazer tanto mal.
 (solo sobre os dois primeiros versos)
 (repete de:)
 Porque só me ficou da história triste desse amor
