 Baby I just don't get it

Em
 Do you enjoy being hurt

A
 I know you smelled the perfume, the make-up on his shirt

Am7
 You don't believe his stories

Em
 You know that they're all lies

A
 Bad as you are, you stick around and I just don't know why

Am7
 If I was ya man, baby you

Em
 Never worry bout, what I do

A
 I'd be coming home, back to you

Every night, doin' you right

Am7
 You're the type of woman, deserves good things

Em
 Fist full of diamonds, hand full of rings

A
 Baby you're a star, I just want to show you, you are

Chorus:

Am7
 You should let me love you

Em
 Let me be the one to

A
 give you everything you want and need

Am7
 Baby good love and protection

Em
 Make me your selection

A
 Show you the way love's supposed to be

Am7 **Em** **A**
 Baby you should let me love you, love you, love you, loooove you

 Your true beauty's description

Em
 looks so good that it hurts

A
 You're a dime plus ninety-nine and it's a shame

Don't even know what you're worth

Am7 **Em**
 Everywhere you go they stop and stare

Cause you're bad and it shows

A
 From your head to your toes, Out of control, baby you know

Am7
 If I was ya man, baby you

Em
 Never worry bout, what I do

A
 I'd be coming home, back to you

Every night doin' you right

Am7
 You're the type of woman, deserves good things

Em
 Fist full of diamonds, hand full of rings

A
 Baby you're a star (I just want to show you, you are)
