Baby I just don't get it

Am
You don't believe his stories

Em
You know that they're all lies

A
Bad as you are, you stick around and I just don't know why

Am
If I was ya man, baby you

Em
Never worry bout, what I do

A
I'd be coming home, back to you

Every night, doin' you right

Am
You're the type of woman, deserves good things

Em
Fist full of diamonds, hand full of rings

A
Baby you're a star, I just want to show you, you are

Chorus:

Am
You should let me love you

Em
Let me be the one to

A
give you everything you want and need

Am
Baby good love and protection

Em
Make me your selection

Em
Cause you're bad and it shows

A
From your head to your toes, Out of control, baby you know

Am
If I was ya man, baby you

Em
Never worry bout, what I do
