

# Mark Barlow - Tenderness

tom:  
Intro: G F Am G

I wrapped my affection  
Into lovers other than  
The face-to-face attention  
That You give and give again  
You don't celebrate perfection  
More than perfect unity  
Full communion with the Father  
Is all the air I need

[Refrão]

I'm right here in, your tenderness, your tenderness, oh-oh  
I'm right here in, your tenderness, your tenderness

I wrapped my affection  
Into lovers other than  
The face-to-face attention  
That You give and give again  
You don't celebrate perfection  
More than perfect unity  
Full communion with the Father  
Is all the air I need

[Refrão]

I'm right here in, your tenderness, your tenderness, oh-oh  
I'm right here in, your tenderness, your tenderness

I'm right here in, your tenderness, your tenderness

[Pré-Refrão]

Let's break down all the cycles  
That started in my mind  
You've been so patient with me  
To heal me every time

[Refrão]

I'm right here in, your tenderness, your tenderness, oh-oh  
I'm right here in, your tenderness, your tenderness

[Ponte]

And those who sow in tears will  
Reap with songs of joy  
Keep me in this place 'til  
My heart, You restore

[Refrão]

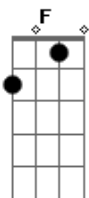

I'm right here in, your tenderness, your tenderness, oh-oh  
I'm right here in, your tenderness, your tenderness

And I know You see me, I know You hear me  
And I know You've called me as Your own

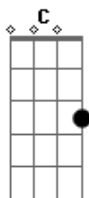

[Refrão]

I'm right here in, your tenderness, your tenderness, oh-oh  
I'm right here in, your tenderness, your tenderness
