

# Marlon Borges - Escola do Meu Coração

tom:

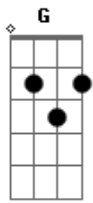

Lindo foi ver a quadra cheia de gente  
 Sambando e cantando o nosso samba  
 Em homenagem a nossa escola do coração ô-ô-ô-ô-ô-ô

Comecei a me imaginar na passarela  
 A bateria imitando o coração

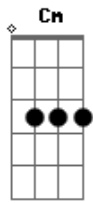

0 povo todo gritando é a mais bela  
 Cantando e fazendo o meu samba campeão

Quero é perder o meu juízo  
 Só quero me perder na multidão  
 Cantar, perder a voz se for preciso  
 Esta é escola do meu coração
