

# Marlon Funaki - Red Hearts

tom:  
D

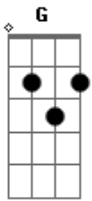

Honey I  
Running out of your winter coat  
Oh why  
Do you feel so cold  
Oh but baby I  
You're falling out of your sleeves again  
Oh why  
Do I feel so cold

Are you something waiting out for me  
Why are you crying  
There's a red heart on your sleeve  
Oh and you kill me  
And I don't feel a thing  
How do you fill me  
With your emotions in between  
Are you something waiting out for me  
Why are you crying  
There's a red heart on your sleeve
