You wanna take it slow

I know I didn't wanna see you  
Said your mind was feeling bulletproof

A7M  
Take my hand live in the moment  
You wanna say hello

E7M  
I know I didn't wanna be there  
Take my hand if you're feeling scared

A7M  
Ohhhhh-ohh

Hey love you know the know

Take my hands just run them through your hair
