Pretty bird

You just crossed my way

And I know it's 'cause you're flying away

But I kinda really want you to stay

Pretty bird

You had no time to see me

You were finally leaving the nest

I just wish I'd met you before the best

That I know is yet to come

Just tell me once you're done

I saw you briefly

And I said 'Hey'

But it was too late 'cause

You were flying to L.A
