 We were toxic, we were cursed A  
 Bm  
 Every time we tried, never worked  
 Em  
 I was bad but you were worse A

 Tried to win this game of who broke who first

 'Cause when you show up, did you think your world A  
 Bm  
 Was just kiss and tell with no consequence  
 Em  
 'Cause you fucked me up, and I'm done with ya A
