When did the rain become a storm?
When did the clouds begin to form?
Yeah we got knocked out of course by a natural force

And well, we'll be swimming when it's gone

Refrão:

And I remember your eyes were so bright
When I first met you, so in love that night
And now i'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry
Beautiful goodbye, bye, bye
It's dripping from your eyes,
Your beautiful goodbye,
It's dripping from your eyes, oh yeah

Bridge:

D **Em**
All the pain you try to hide
C **G**
Shows through your mascara lines,
D **Em** **C**
As they stream down from your eyes
D **Em**
And let them go, let them fly
C **G**
Holding back won't turn back time
D **Em** **C**
Believe me, i've tried

Refrão:

Your eyes were so bright
And I remember your eyes were so bright
And I remember your eyes were so bright
When I first met you, how in love were we that night
And now i'm kissing your tears goodnight
And I can't take it, you're even perfect when you cry
Beautiful goodbye, bye, bye
It's dripping from your eyes,
Your beautiful goodbye,
It's dripping from your eyes, yeah
