

Maroon 5 - Best 4 U

Tom: Db

(com acordes na forma de C)

Capostrate na 1ª casa

I just want the best for you

Yeah another night out

I get drunk, I get high

Then you call and I lie

And say I'm on my way now

Yeah, I say I'm on my way now

Show up when it's light out

When you're dressing for work

And I'm mumbling words

I don't know what to say now

No, I don't know what to say now

You tell me I don't care, tell me I never try

I said I'm sorry maybe a million times

It's gonna hurt ya if I don't say goodbye

You don't believe me, you don't believe me

I just want the best for you

I just want the best for you

But I'm just not the best for you

You don't want what I'm gonna put ya through

I just want the best for you

I just want the best for you

But I'm just not the best for you

You don't want what I'm gonna put ya through

Oh oh no, baby

Oh oh no, baby

Oh oh, baby

You don't want what I'm gonna put ya through

Parties with shots and powder

But you'd rather sleep eight hours

And I know you got your doubts

'Cause I can't turn this life around, baby

Thought it was just a phase

'Til I woke up a thousand days later

Realizing I'm the same as I was before I saw your face

You tell me I don't care, tell me I never try

I said I'm sorry maybe a million times

It's gonna hurt ya if I don't say goodbye

You don't believe me, you don't believe me

I just want the best for you

I just want the best for you

But I'm just not the best for you

You don't want what I'm gonna put ya through

I just want the best for you

I just want the best for you

But I'm just not the best for you

You don't want what I'm gonna put ya through

Oh oh no, baby

Oh oh no, baby

Oh oh, baby

You don't want what I'm gonna put ya through

Oh oh no, baby

Oh oh no, baby

Oh oh, baby

I just want the best for you

You tell me I don't care, tell me I never try

I said I'm sorry maybe a million times

It's gonna hurt ya if I don't say goodbye

You don't believe me, you don't believe me

I just want the best for you

I just want the best for you

But I'm just not the best for you (for you)

You don't want what I'm gonna put ya through

I just want the best for you (just want the best for you)

I just want the best for you (just want the best for you)

But I'm just not the best for you (I'm not the best for you)

You don't want what I'm gonna put ya through

Oh oh no, baby

Oh oh no, baby

Oh oh, baby

You don't want what I'm gonna put ya through

Oh oh no, baby (Yeah)

Oh oh no, baby (Yeah)

Oh oh, baby
Em

F Am G

I just want the best for you
Em
I just want the best for you
