

Maroon 5 - Cold

Tom: **C**

Chorus:

F Cold enough to chill my **G** bones
Am It feels like I don't know you anymore
Em I don't understand why you're so **F** cold to me
G With every breath you breathe
Am I see there's something going on
Em I don't understand why you're so cold

Verse:

F Are we taking time or a time out?
G I can't take the in between
Am Asking me for space here in my house
Em You know how to fuck with me
F Acting like we're not together
G After everything that we've been through
Am Sleeping up under the covers
Em How am I so far away from you?

Pre-Chorus:

F Distant when we're **G** kissing
Am Feel so different
 Baby tell me how did you get so...

Chorus:

F Cold enough to chill my **G** bones
Am It feels like I don't know you anymore
Em I don't understand why you're so **F** cold to me
G With every breath you breathe
Am I see there's something going on
Em I don't understand why you're so **F** cold, yeah
G Woaaaaah yeah
Am Woaaaaah yeah
Em I don't understand why you're so cold

Verse:

F What you holdin' on, holdin' on for?
G If you wanna leave just leave
Am Why you wanna bite your tongue for?
Em The silence is killing me
F Acting like we're not together
G If you don't want this, then what's the use?

Am Sleeping up under the covers
Em How am I so far away from you?

Pre-Chorus:

F Distant (oh) when we're **G** kissing (yeah)
Am Feel so different (yeah)
 Baby tell me how did you get so...

(Chorus)

After-Chorus:

G Woaaaaaaaah yeah
Am Woaaaaaaaah yeah
Em I don't understand why you're so **F** cold, yeah

Em I don't understand why you're so cold

Rap:

F Never thought that you were like this
G I took the tag off of major prices
Am I just spent half a mill' on a chandelier
Em Now you tryna cut me off like a light switch, yeah
F Trying to stay, and I leave
G Saying that you need some time to breath
Am Thinking that I'm sleeping on the four letter word
Em But the four letter word don't sleep
F We goin' two separate ways
G You ain't been actin' the same
Am You gotta go, but the way your ass used to be you gold dig
 every day
F hear what you say
Am Girl I tried to give you space **Em**
