F G
Cold enough to chill my bones

Em
I don't understand why you're so cold

Verse:

F
Are we taking time or a time out?
G
I can't take the in between
Am
Asking me for space here in my house

Acting like we're not together
G
After everything that we've been through

Sleeping up under the covers
Em
How am I so far away from you?

Pre-Chorus:

F G
Distant when we're kissing
Am
Feel so different
Baby tell me how did you get so...

What you holdin' on, holdin' on for?

G
If you don't want this, then what's the use?

Sleeping up under the covers
